

**Thanks for downloading our "Daily Schedule" free version!** If upon review, you would like a customized schedule for your family please email us at [hello@bettertogetheridaho.com](mailto:hello@bettertogetheridaho.com) with a list of changes to be completed. Customization will include a flat fee of \$15.00.

Special Notes: Included on this schedule are blocks for inserting your family's desired times. In addition, depending on your child's goals at home we have included a behavior tracker which includes faces that can either be colored in (good behavior) or crossed off (unexpected behaviors).

Suggestions for use include:

1. Incentivizing a reward (i.e. screen time, preferred toy) in exchange for a certain number of remaining smiley faces or ones that have been colored
2. Requiring a calming activity or withholding a privilege (i.e. quiet time, loss of screen time) due to behaviors resulting in smiley faces being crossed off

Sending healthy thoughts!
